台輪

A pink and white modular kitchen unit. It features a white countertop with a stainless steel sink and a black cooktop. Below the countertop, there are several open drawers and cabinets, revealing various kitchen items like plates, bowls, and containers. The unit is designed in a modern, minimalist style.

食器洗い乾燥機

A schematic diagram of a three-phase motor winding connection in a star configuration. It shows three windings, each represented by a rectangle with a central tap. The taps are connected to a common central point (neutral point). The outer terminals of the windings are labeled with phase letters: 'U' for the first winding, 'V' for the second, and 'W' for the third. Arrows indicate the direction of current flow into and out of the terminals.
